A REBUILDING SEASON

The FBA Saint football team of 1981 met for the first time on August 11. The group had little experience and only 5 Senior lettermen. But the hopes were high and they believed they could overcome this one major short coming. As the season progressed, however, consistency of play became a problem. Try as they might this area never really improved. Despite this problem, the team sought to compete to glorify God.

Even though the team finished with a less than great record, the athletes who participated learned some valuable lessons about how to deal with life as it comes. All will be back and ready to have our turn in the victory circle. Seth Adams

HAS A SUCCESSFUL SEASON

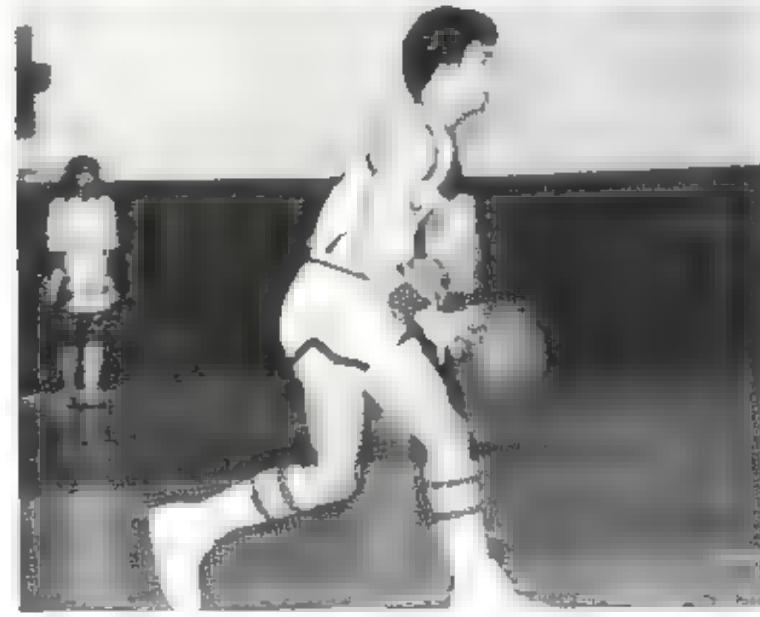

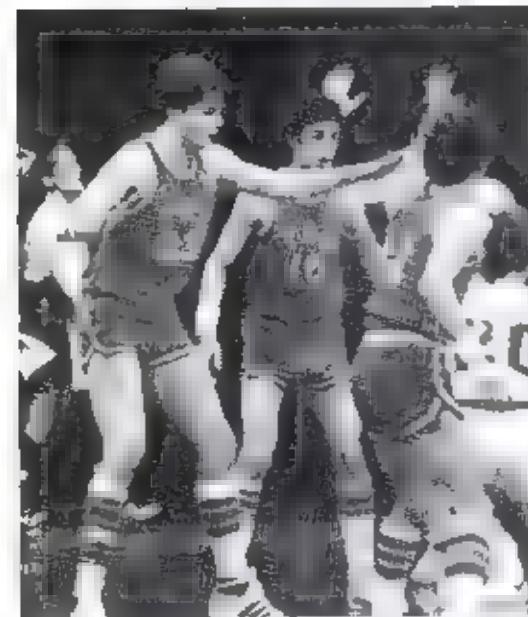

The 1981-82 Varsity basketball team missed the playoffs by just one game. Some of the highlights of the season was a narrow 78-74 victory over Forney, marking the first victory ever over a public school in basketball. F.B.A. also won second place in both the Trinity Christian and the First Baptist tournaments. The main accomplishment this year was that the team drew closer together and whether they won or lost, it was a team effort.

TEAM SHOWS DETERMINATION

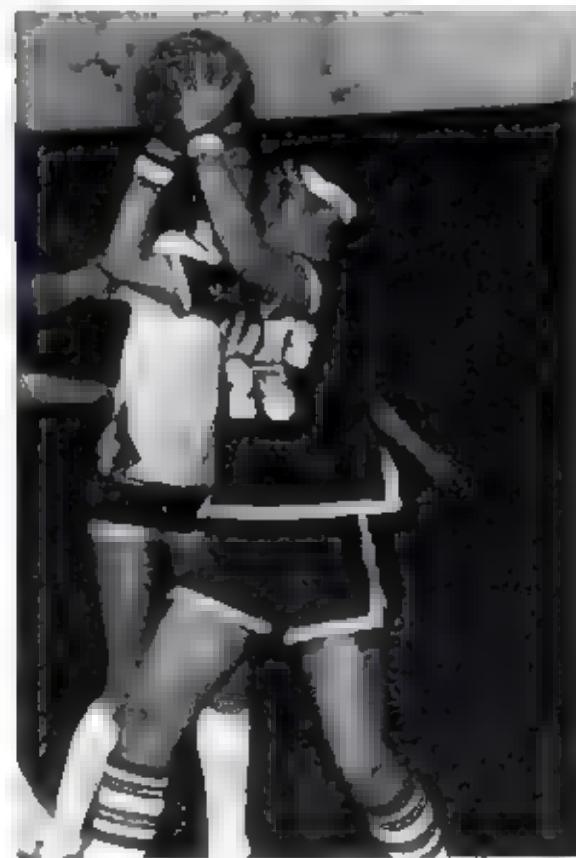

The Varsity girls ended their season with a record of 11 wins and 10 losses. We experienced a variety of problems this year which can all be classified under the heading of "Growing Pains." We had a very young team which had a lot to learn and I believe we built a good foundation on which to begin next year. We played in one tournament this year and defeated Trinity Christian Academy for third place. Jo Brooks, a junior, made the All-Tournament team for F.B.A. Lisa Fain, a senior, was nominated to represent the "Saints" in the T.A.P.S. All-State game on March 6, 1982 at Richland College. A YEAR OF ACCOMPLISHMENTS

I felt we accomplished much this year. As far as wins and losses, we went 9-2. But the most significant thing is that the kids learned how to play as a team. They learned how to make themselves more disciplined and how that can benefit them in other situations. Most of all though, I feel like we really grew closer to one another and especially to God.

OUR FOUNDER
Dr. W. A. Criswell

To The Whole Wide World,

If we could blaze across the skies our devotion to the First Baptist Academy, it would not burn commensurate with our deepening love for the school. "Angels in heaven know I love you." Our appreciation for the administration and the faculty and our gratitude to God for the students abound more and more with each passing day.

Every year the school rises to greater heights of glory. The boys and girls who attend the Academy make it shine and the young people who are graduates from its halls are bringing added splendor to the academic life of the institution. Who could but be profoundly moved to prayers of appreciation for a work so well done?

Building on the foundation of the dedicated efforts of those who have gone before, we are now preparing for our greatest and finest years of advancement. The young men and women pictured in this book are helping to make our dream of a superlative school come true. God bless them everyone, and God bless those who have it in their hearts to help us create this beloved and Christian academic community.

Devotedly yours,

W. A. Criswell

OUR SUPERINTENDENT
Mr. Johnnie Henderson

Another year, another milestone, another goal — all have been a part of the 1981-1982 school year.

Setting goals and priorities in life are important for success. Each goal achieved and each race attempted make us better prepared for life's opportunities.

Education is one of your God given opportunities — use it, make the most of it, profit from each learning experience. Be willing to "Grow in grace and knowledge."

For the 1982 Seniors I pray that you will have a wonderful life as you prepare to take your place in the community leadership of tomorrow. By the grace of God, may you become the Christian leaders of your church, your home and your country.

God be in my head
And in my understanding.

God be in my eyes
And in my looking.

God be in my mouth
And in my speaking.

God be in my heart
And in my thinking.

God be at my end
And in my departing.
